<div>ADDENDUMS 2</div>							
<div>BASE BID DESCRIPTION:</div>							
<div>Contract 1: Clarke Square Park - Pavilion Renovation:</div> Includes installation of two new overhead doors, new exterior entry doors, new exterior window glazing, new soffit lighting, new interior lighting, and new interior finishes. Selective demolition will be required to install new materials. Existing built-up roof is to be removed and replaced with single ply 60-mil EPDM roof membrane, fully adhered.							
<div>Contract 2: Wahl Park-Pavilion Renovation:</div> Involves up-dating the Men's and Women's toilet rooms to be handicap accessible. This includes a new exterior entrance door and stoop, replacing all existing plumbing fixtures, replacing existing toilet compartments, and limited new interior finishes. Selective demolition will be required to install new accessible fixtures and new materials.							
<div>Contract 3: MLK - Skylight Replacement:</div> Construction includes removal of existing translucent panel skylights, curbs, and approximately 2-foot wide section of existing built-up roofing. New roof curbs to support the new skylights, new framing at the existing masonry wall, new metalframed skylights installed, and a new built-up asphalt roofing system installed to repair the existing roof.
